

How old are you?

26 responses

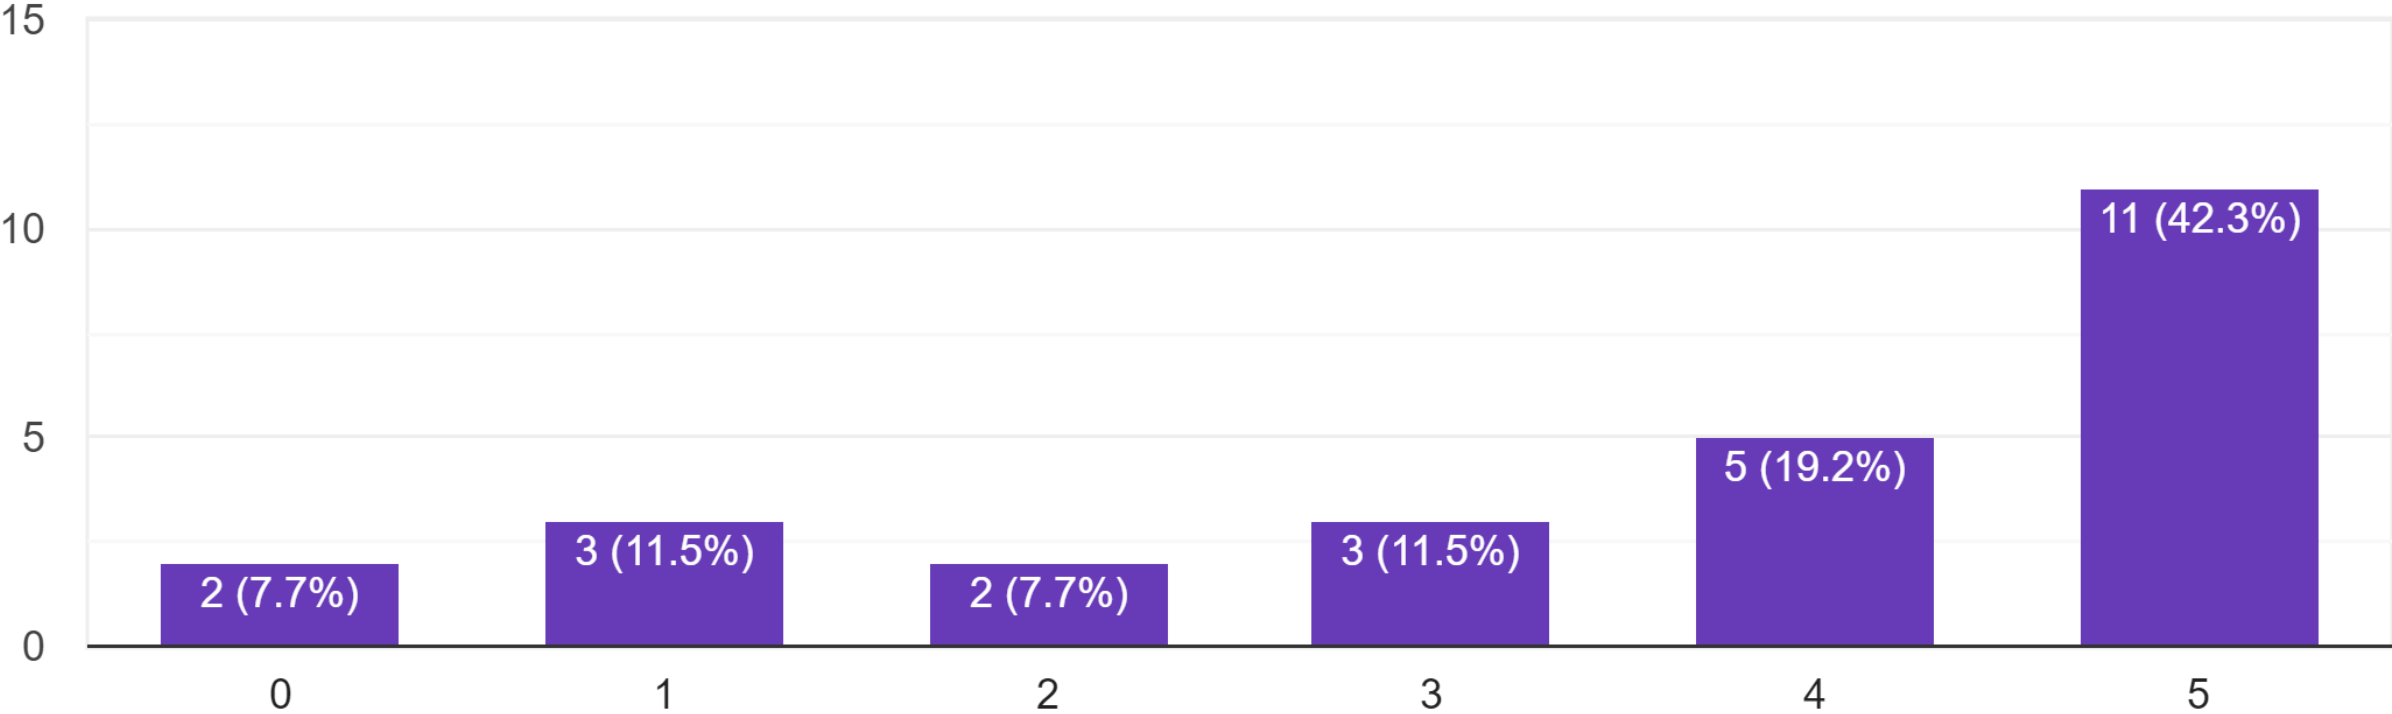

What features of the app did you have trouble using?

26 responses

Please, rate your experience regarding your experience with the buttons. Where 5 being excelent and 0 being poor

26 responses

How would you make the buttons better to use?

8 responses

larger

bigger

big

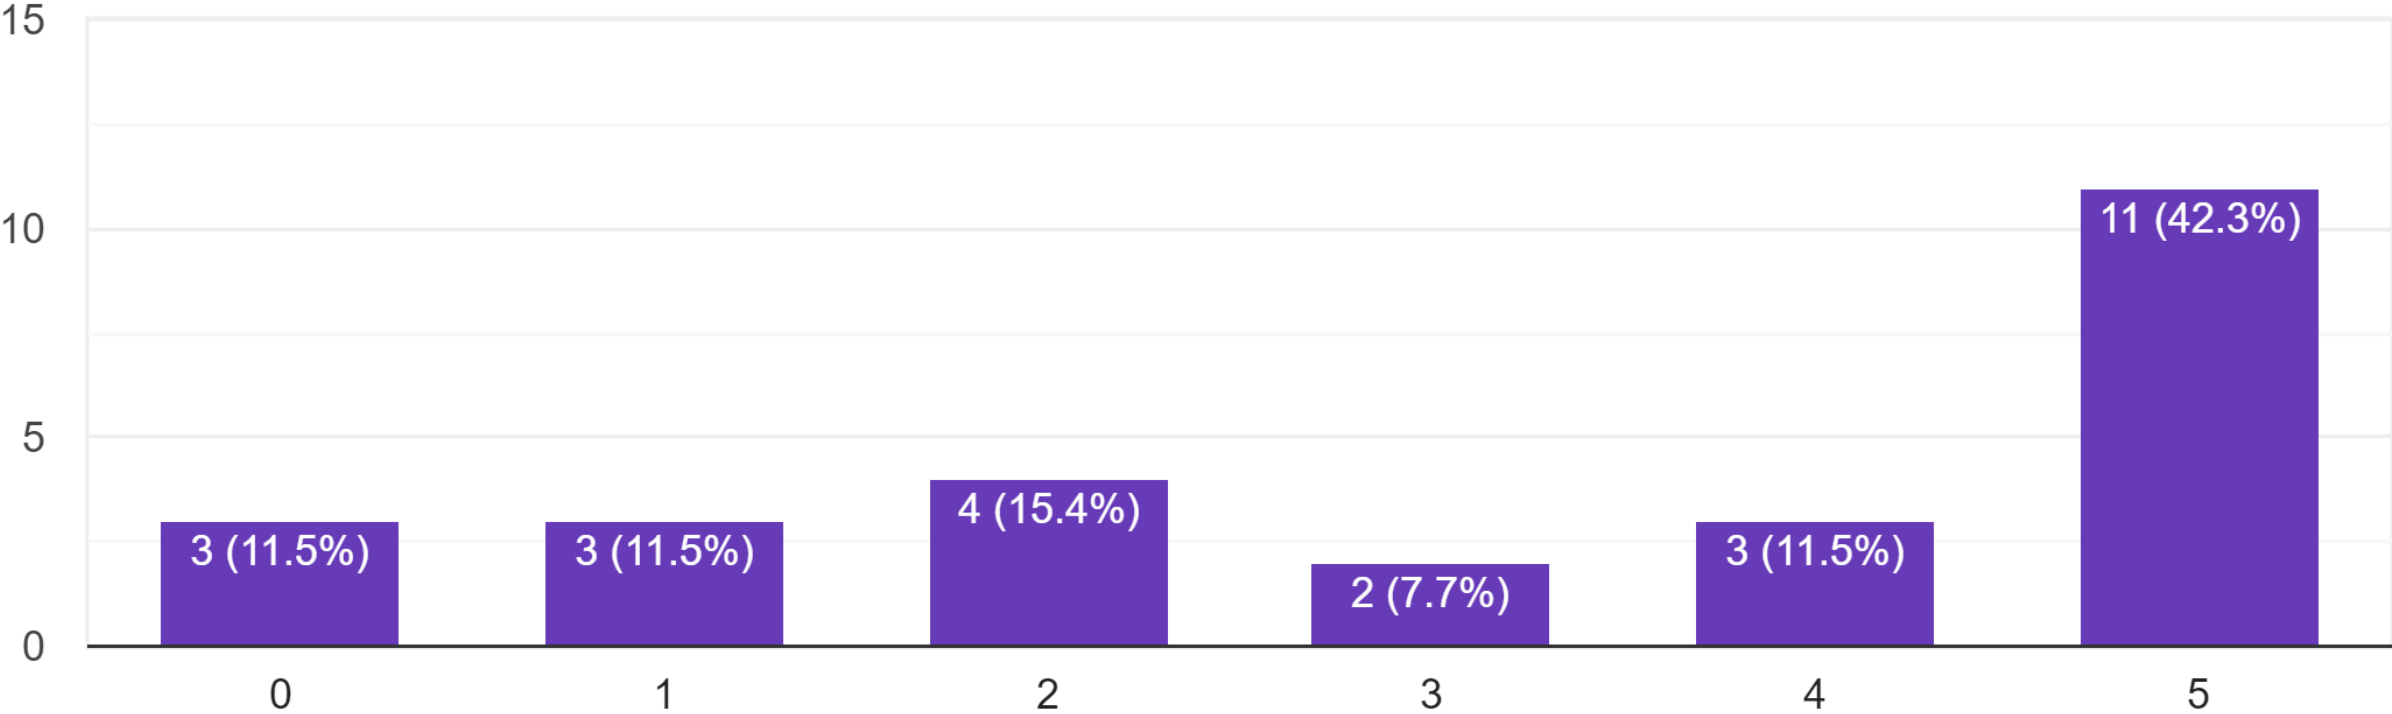

bigger buttons please

wider buttons

bigger buttons would be great

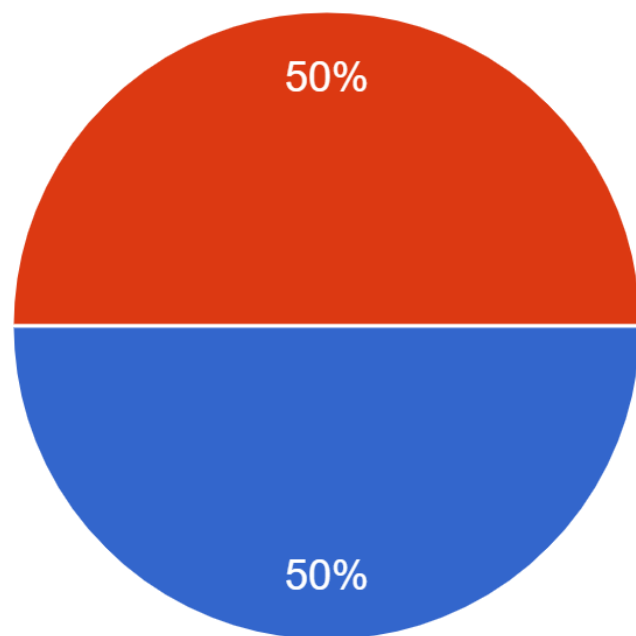

Please, rate your experience regarding the Text Font. Where 5 being easy to read and 0 being impossible to read

26 responses

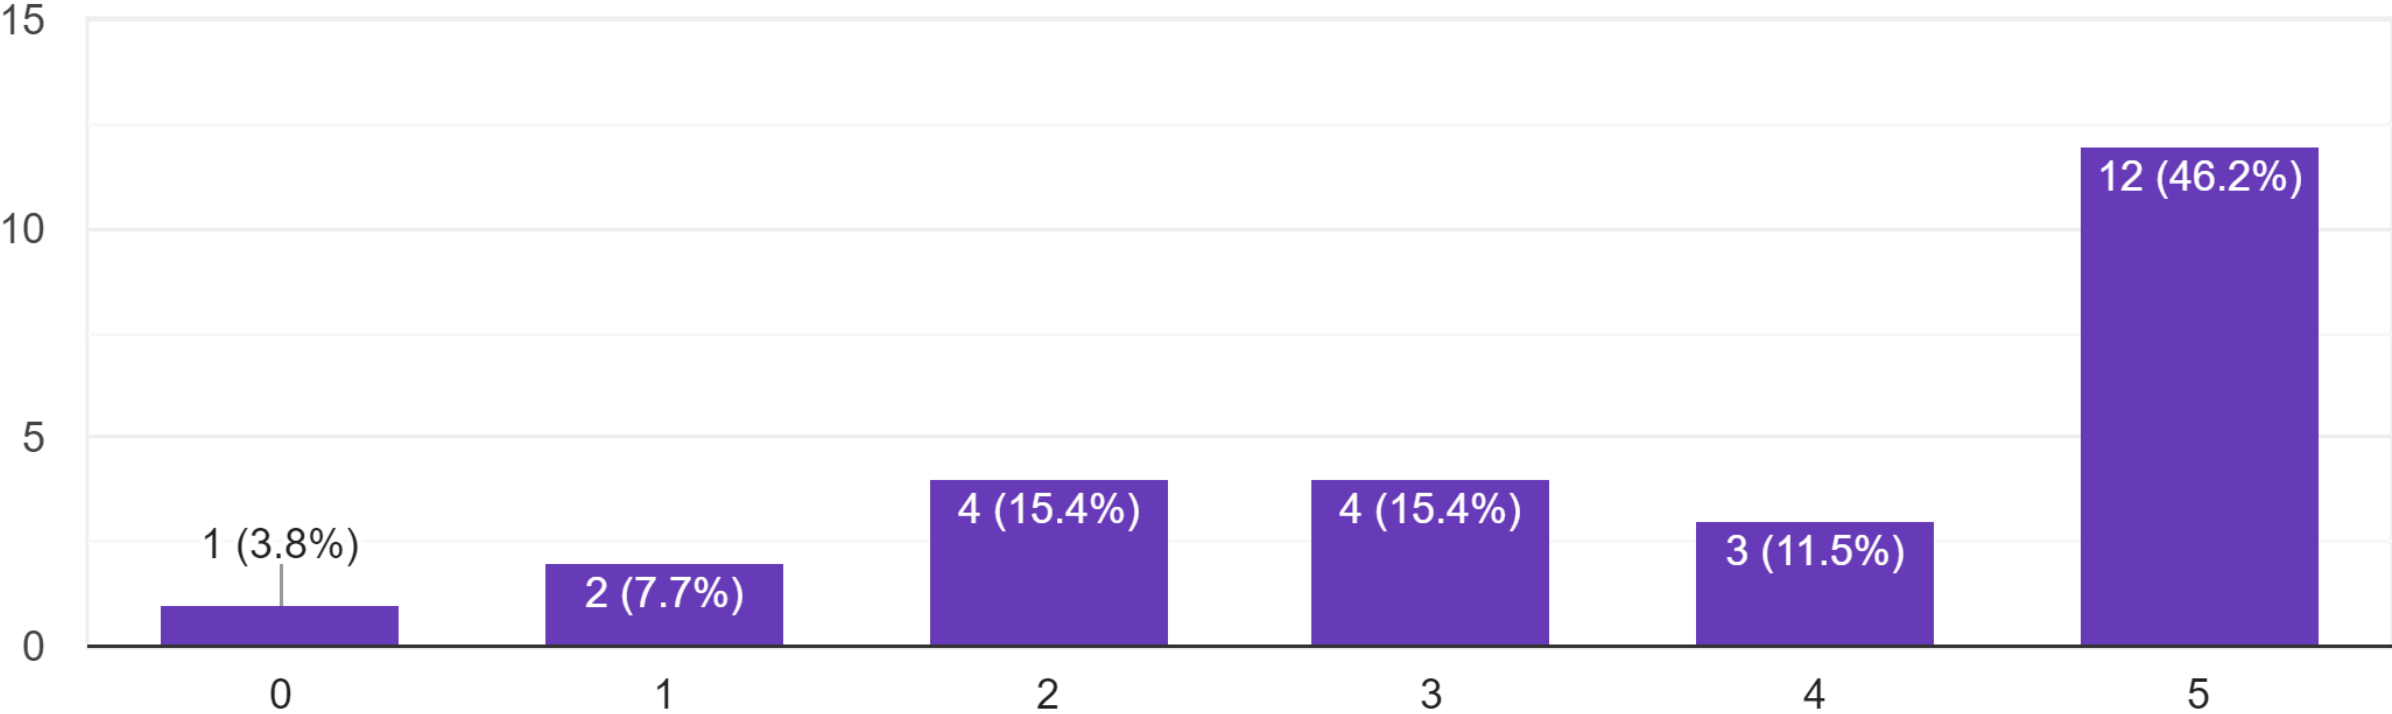

Would it be helpful if the font text were bigger?

26 responses

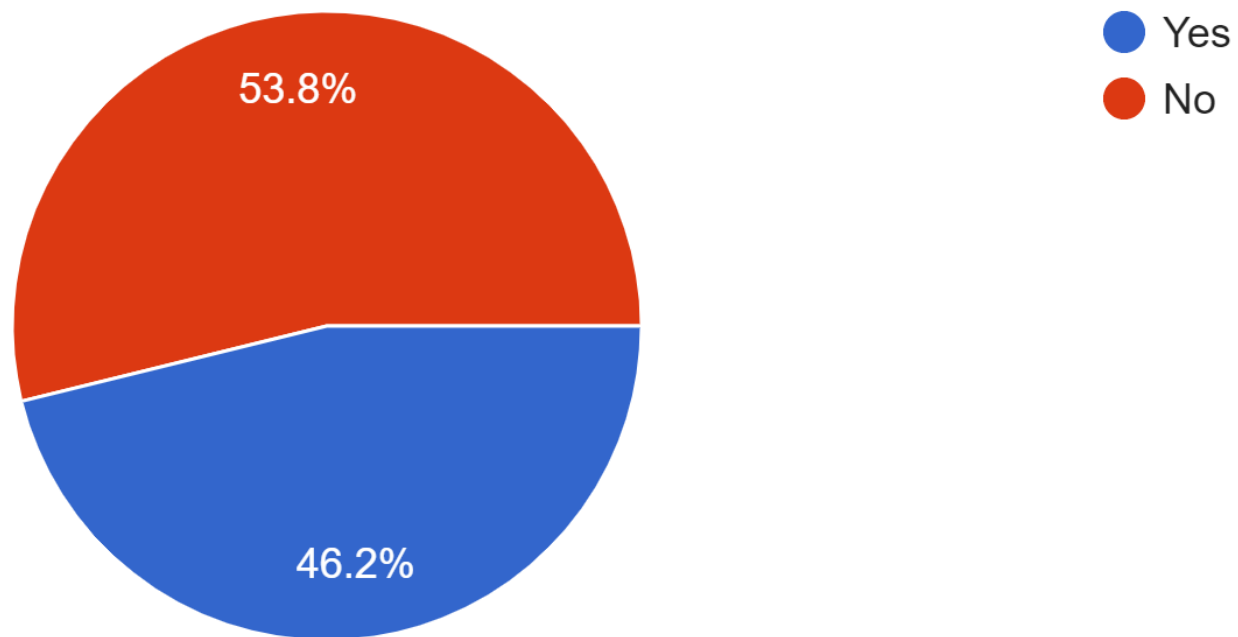

Please, rate your experience based on Color Contrast. 5 being easy to distinguish and 0 being very hard to distinguish

26 responses

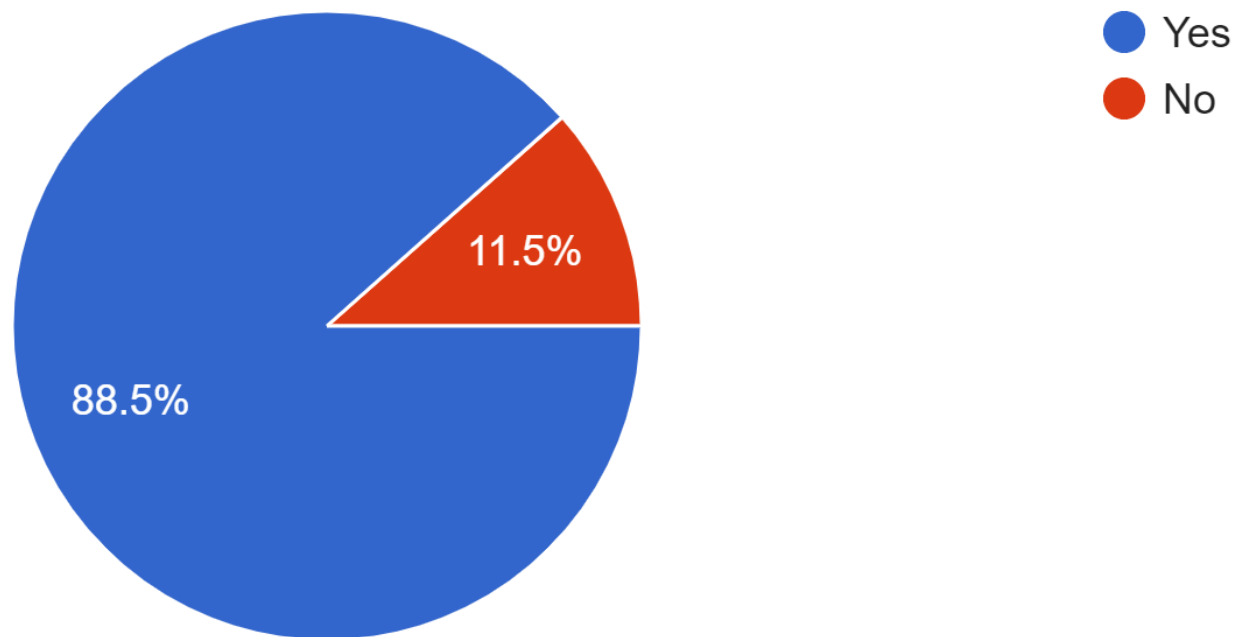

Would it be helpful to use higher contrast of colors?

26 responses

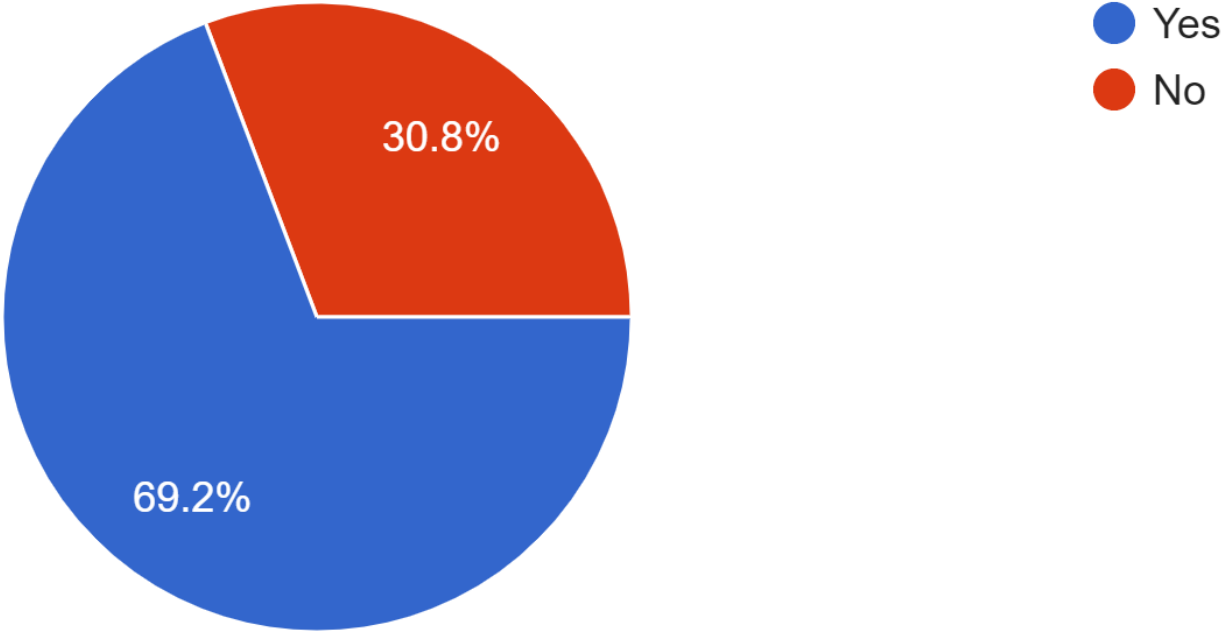

Were you able to make precise movements? Were the space between features optimal?

26 responses

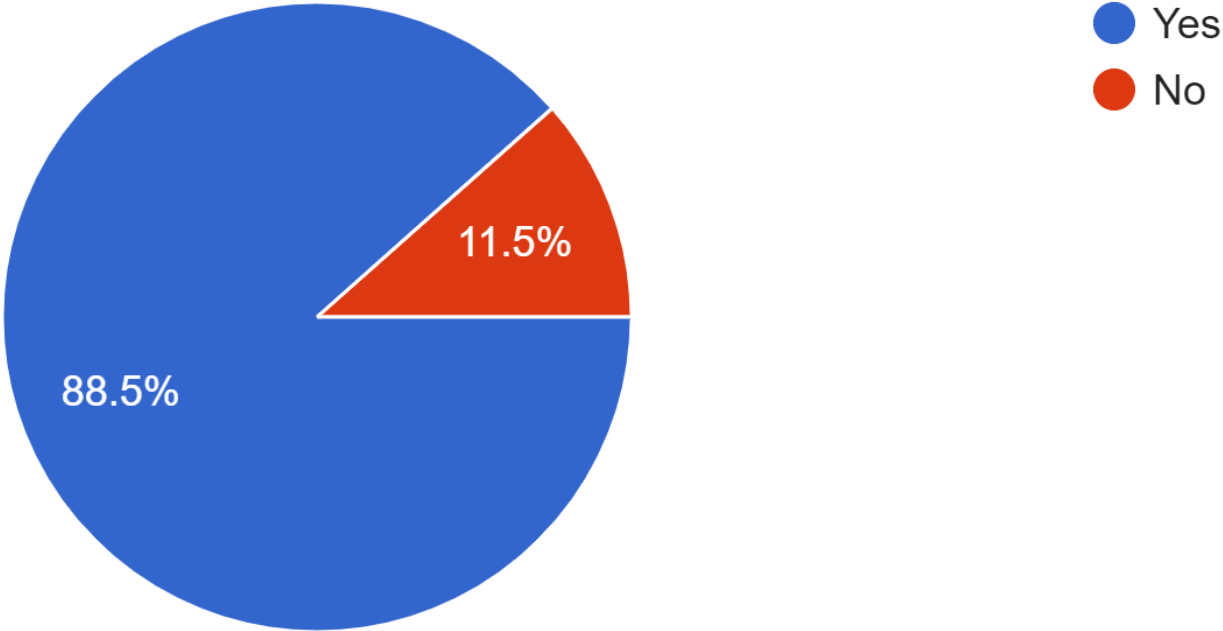

Did you have a hard time understanding the meaning of each icons?

26 responses

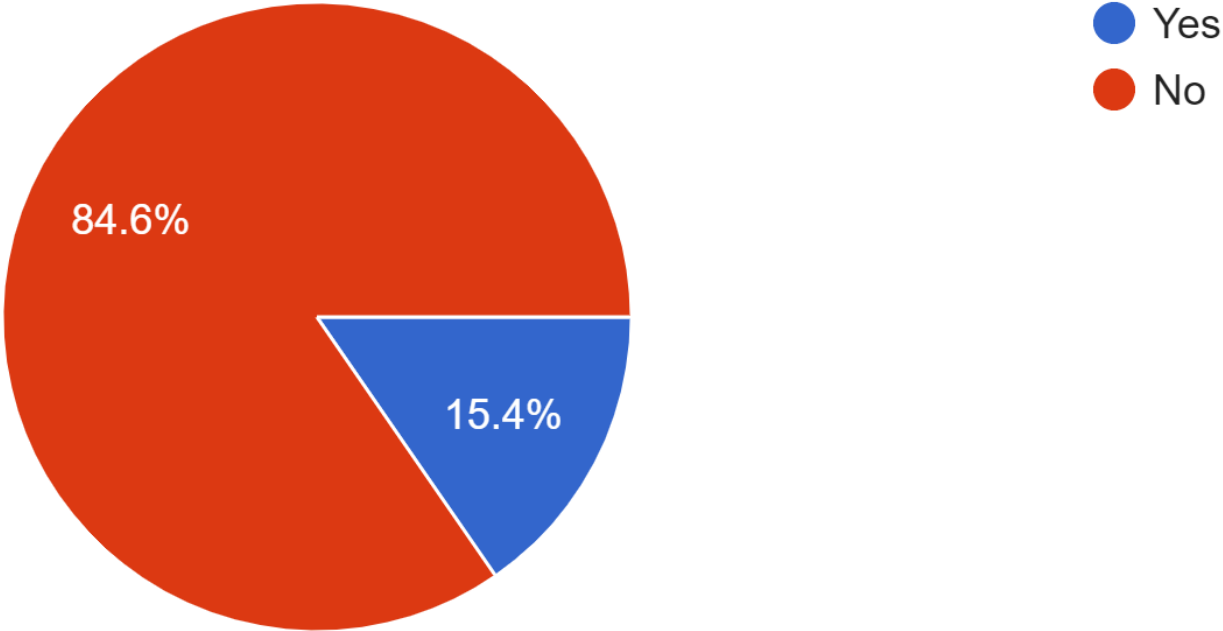

Would it be easier if text was used with the icons?

26 responses

Did you have a hard time navigating through the app? (E.g going from one page to another)

26 responses

Finding the total price was not intuitive

Exit button not working

I had hard time finding the total price

could not find the turkey. Make the product title bigger or bold

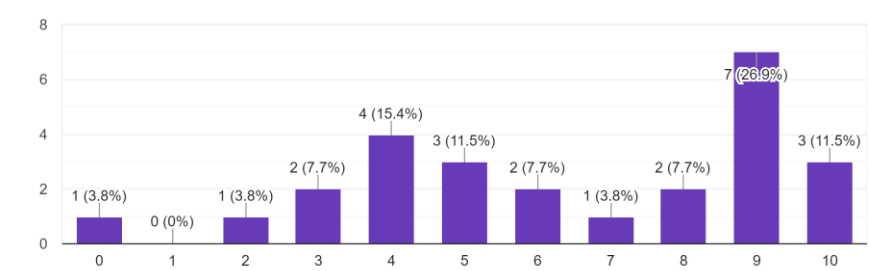

I could not make the exit button to work

I didn't know how to complete the last task

exit button not working.

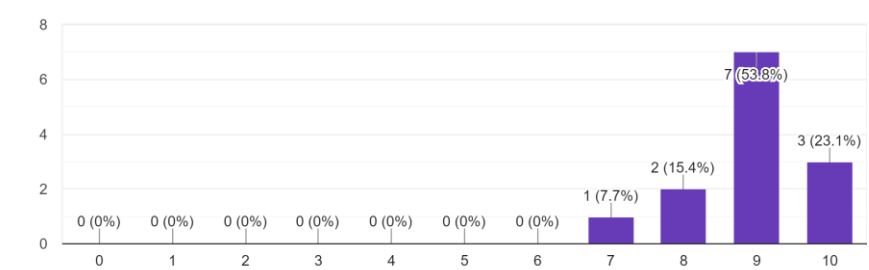

Please, rate your experience on using the app. 10 being super easy to use and 0 being hard to use.
